

## The type species of the genus *Blagorrhina* Hippa, Mattsson & Vilkamaa (Diptera: Lygistorrhinidae)

When preparing the final copy of our paper on Lygistorrhinidae (Hippa et al. 2005), the type species designation for the genus *Blagorrhina* was lost. We here designate *Blagorrhina blagoderovi* Hippa, Mattsson & Vilkamaa as the type species of *Blagorrhina* Hippa, Mattsson & Vilkamaa.

We thank Dr. Christian Thompson (Washington, D.C.) for pointing out the missing type species designation.
